By car

By the A4 from the direction of Amsterdam and The Hague/Rotterdam

Take the A4, exit Hoogmade/Leiden Noord (6). Follow the N446 to the roundabout. Go three-quarters of the way around the roundabout and go straight ahead at the next roundabout. You are now on the N445. On the Willem de Zwijgerlaan turn left at the third traffic lights (Kooilaan). Turn right at the end into the Herensingel and take the first left over the bridge. Follow the road to the left into the Langegracht. Half way along you will find Leiden Power Station on your right.

By the A44 from Amsterdam/Haarlem and Wassenaar/The Hague

Take the A44, exit Leiden (8). Follow the Plesmanlaan in the direction Centrum. Under the railway bridge turn left at the traffic lights and drive into the tunnel (Schipholweg). Once out of the tunnel, turn left at the traffic lights. Turn left again at the next traffic lights. Via the Schuttersveld you come into the Molenwerf. Turn left into the Langegracht. You will see Leiden Power Station on your left.

Public Transport

Take bus 15 from Leiden Station (Korte Mare stop).

Please Note: You should report to NUON's porter's lodge, which is adjacent.
