By car

In The Hague

At the end of the Utrechtsebaan (A12) turn left in the direction of the centre/centrum. Turn right at the next traffic lights (Provincie Huis) and right away position yourself to turn left into the Mauritskade. This road goes via the Hoge Wal (Koninklijke Stallen/Royal Stables) and becomes the Elandstraat. At the end of the Elandstraat cross the Koningin Emmakade into the Marnixstraat. First you have to cross the tram rails (at the end of the Elandstraat turn right and then left again). At the end of the Marnixstraat go left into the De Constant Rebecquestraat. Halfway along this street is the De Constant Rebecqueplein (square). The Power Station is on this square, on your right.

Public Transport

Take tram 2 (Zusterstraat stop) from The Hague Central Station (CS) or take bus 122 (Zusterstraat stop). Another option is to take tram 10 from the Zusterstraat stop to the Koningin Emmaplein stop.

You can also take tram 11 from The Hague Hollands Spoor (HS) train station (Weimarstraat stop) to the De Constant Rebecqueplein.
